Risk Management (Criminal Record Check / Vulnerable Sector Check)

Adopted by NUFC Oct 2022

- All volunteers and paid staff must have a current Criminal Record Check (CRC) and Vulnerable Sector Check (VSC) on file in the Club.
- The CRC and VSC policy are outlined on a separate policy document.
- All Head Coaches must complete a CRC in person at their local RCMP detachment.
- The Club may supply staff with an official letter intending for work as a Volunteer.
- The screening process for our volunteers, staff and the Board of Directors must be repeated every 24 months from the date of placement in the position within the Club.
- If a Coach has not completed their CRC/VSC and the checks are not returned to the Club with a satisfactory result, the individual will not be able to coach within the Club.
- When the CRC comes back with a negative result, the Club will notify the individual to find out the nature of the result and confirm with the RCMP detachment.
